FEDERAL CONTRACTOR PRODUCTS

We Hear You: GovDocs Federal Contractor Products

Managing a labor law compliance program is complex. As a large employer, wading through the sea of federal, state, county and city postings for multiple locations is challenging enough.

Then, for companies with federal contracts, you also need federal contractor postings, which often generate more questions than answers for HR and compliance teams.

GovDocs strives to ease some of this complexity, offering a variety of federal contractor posting products to meet your specific needs.

Federal Contractor Poster Kit

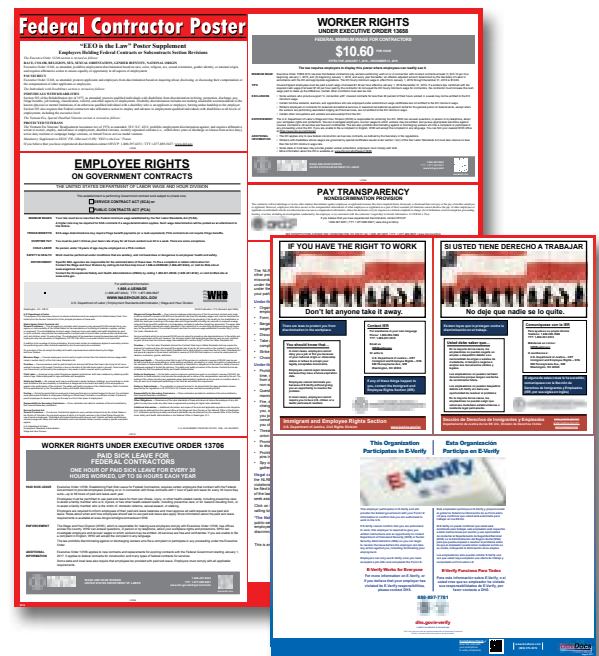

The Federal Contractor Poster Kit is a set of labor law postings required for the majority of GovDocs customers with federal contracts and includes a Federal Contractor-on-One poster, plus *Right to Work with E-Verify* (in English and Spanish).

Postings included:

Federal Contractor-on-One Poster (22" x 28")

- *Employee Rights under the National Labor Relations Act (NLRA)*
